

17.	Seasonal and spatial variation in nitrate concentration in Deep Creek	32
18.	Seasonal and spatial variation in total-N concentration in Deep Creek	32
19.	Seasonal and spatial variation in phosphate concentration in Deep Creek	33
20.	Seasonal and spatial variation in total-P concentration in Deep Creek	33
21.	Percentages of sewage nitrate change at stations below Walstonburg, Macclesfield, and Enfield outfalls	38
22.	Percentages of sewage phosphate change at stations below Walstonburg, Macclesfield, and Enfield outfalls	38
23.	Percentages of sewage total-N change at stations below Walstonburg, Macclesfield, and Enfield outfalls . .	39
24.	Percentages of sewage total-P change at stations below Walstonburg, Macclesfield, and Enfield outfalls . .	39
25.	Percentages of sewage ammonium change at stations below Macclesfield and Enfield outfalls	40
